

BHARATH H U

bharathhubharath@gmail.com | +91 7975414457

Education Qualification :

Bachelor of Engineering in Information Science and Engineering	CGPA-7.9
City Engineering College	YOP-2026
Pre-University Education	CGPA-7.5
YOP-2022	
Secondary Education	CGPA-8.2
Govt High School Baganakatte	YOP-2020

Technical Skills :

- **Backend:-**Python, Java(Core)
- **Frontend:-**HTML ,CSS ,JavaScript
- **Database:-**SQL ,MongoDB
- **Version Control Tools :-** Git , GitHub

Internship :

MERN Stack Intern Edunet Foundation	[Dec 2024 – Jan 2025]
• Built a Spotify-like music player using the MERN Stack (MongoDB, Express.js, React, Node.js) during an internship at Edunet Foundation. • Backend Expertise: Implemented core functionalities including user authentication, playlist management, and secure song streaming using Express.js. • Key Technologies: Strong practical experience in Node.js/Express.js and React.	

Projects :

Domain Expert Discovery
• Built a web platform that automates expert identification using advanced search and data aggregation. • Designed an efficient data-processing pipeline to handle large datasets and improve expert matching accuracy.
Music Player Website (Spotify Clone)
• Full-stack development using React and Express.js (Node.js) to implement secure user authentication, playlists, and song streaming.

Tech Expertise :

- Proficient in fundamental programming languages (Python, Java) and web technologies (HTML, CSS, JS).
- Experienced with using VS Code as the primary development environment.

Interpersonal Skills :

- Demonstrated teamwork, communication, adaptability, and quick decision-making through competitive cricket and kabaddi.
- Adapted quickly to new tools and feedback while collaborating with peers in academic and project-based environments.

Certifications :

- Internship on MERN Stack (Edunet Foundation)
- GenAI Powered Data Analytics Job Simulation(Tata Forage)
- Pursuing Python Full Stack Development in Dhee Coding Lab
